Hunting Booger Bottom *by Michael Waddell with Mike Schoby*

COLUMBUS, Georgia, January 8, 2010 – Realtree Inc.

February 8, 2010 -- Growing up in Booger Bottom near the Chattahoochee River, Michael Waddell was blessed with two great gifts: a wonderful father who stoked his passion for hunting and endless time in which to pursue it. He eventually left the backwoods of Georgia to stalk elk, moose, caribou, wildebeest, eland and everything in between, from Alaska to Africa.

Mixing Waddell's best hunting stories with hilarious anecdotes about the people he's met along the way; *Hunting Booger Bottom* is a must-read for anyone who has ever wandered into the woods with a "stick and string."

"Michael is truly a master bowhunter, rifleman, shotgunner, game-caller and instinctive naturalist who stands with the best that have ever lived. I can honestly say that he ranks right up there with what legend makes of Davy Crockett and Daniel Boone."

-- Ted Nugent, from the foreword
