## **Crosman Teton**

### *Crosman's First High-Performance Crossbow*

COLUMBUS, Georgia, June 12, 2008 – Realtree Inc.

Crosman Corporation has introduced its first high performance crossbow – the Teton. The first model by Crosman Archery, the Teton, was designed with aggressive, laid-back, quad limb shooting systems. The Teton features an all-weather, ergonomic stock, the new Crosman Lightning Touch trigger system and a CenterPoint Precision Optic. Rounding out this shooter are the custom string and cable systems, machined aluminum riser and cam wheel system, completely decorated in Realtree Hardwoods HD<sup>®</sup>.

The Crosman Teton features speeds in excess of 320 FPS and also utilizes a new 4x32mm Multi-Reticle illuminated scope from CenterPoint along with three carbon arrows, quiver, crossbow sling, and quick-release bi-pod, rope cocking device and field points. The Teton is for the experienced hunter seeking a new level of performance in the field.

What it costs: \$549.99
