FOR IMMEDIATE RELEASE

## **Badlands Diablo 4500 Pack** *Great For Carrying Both A Bow or Rifle*

COLUMBUS, Georgia, June 10, 2009 – Realtree Inc.

Starting its career by taking people to the top of K-2, Denali, and Everest, the 4500 is chosen by more guides than any other pack on the market. The 4500 is an internal frame pack using dual-Polycarbonate stays in a HDPE frame sheet. This frame flexes to match the body's natural movements while providing superior weight transfer. The internal frame keeps weight closer to the center of gravity allowing for a better carry and superior load handling.

- Holds a spotting scope & tripod
- Compatible for carrying bow & rifle
- Adjustable suspension
- Available in two sizes for a perfect fit
- Hydration-compatible—96 oz reservoir sold separately
